INTRODUCTION

- Ø **Phoenix Worldtrans Pvt. Ltd. is one of the leading shipping agencies in India and is engaged in a wide range of shipping related activities. Phoenix Worldtrans Pvt. Ltd. is based in Mumbai and has associates all over the country.**
 - Ø **Phoenix Worldtrans is a privately owned enterprise with a team of efficient and dedicated professionals who thrive on challenges. They have been trained to provide a high quality of service with no exception.**
 - Ø **During the early part, breakbulk and lcl / fcl forwarding of containerized shipments were the order of the day and a dedicated approach paved the way for a sound foundation. Later, the era of containerization brought about a change in pattern and diversification into international freight forwarding and logistics was a desired detour. In a nutshell, we have first hand experience of breakbulk shipping and the subsequent phases leading to containerization.**
 - Ø **Over the years, Phoenix Worldtrans has developed an excellent reputation in the market which is a result of sheer hard work and dedication of the entire team. Integrity and commitment are the two qualities which have been imbedded amongst every individual at Phoenix Worldtrans.**
